SSI and SSDI Beneficiaries Who Want to Work

Free Employment Support for Young Adults with a Disability

Wednesday, June 22, 2016

12:00 - 1:30 PM PT

Supplemental Security Income (SSI) and Social Security Disability Insurance (SSDI) beneficiaries are eligible to participate in the Social Security Administration’s (SSA) Ticket to Work program. Ticket to Work program is a free and voluntary program that connects SSI and SSDI beneficiaries with free employment services to help them decide if they are ready for work, prepare for work, and find and keep a job through career counseling, vocational rehabilitation, and job placement and training from authorized Ticket to Work service providers. Participants in the Ticket to Work program will not lose their Medi-Cal for at least as long as they receive SSI benefits and they will not lose Medicare for at least as long as they receive SSDI. Ticket to Work participants will not lose SSI/SSDI benefits until their income is above their individual earning limits.

On **June 22, 2016**, SSA will hold a national Work Incentive Seminar Event (WISE) webinar that will present information about the Ticket to Work and other programs for SSI and SSDI beneficiaries who are interested in returning to work. This webinar is geared toward young adults and will be valuable to SSI/SSDI beneficiaries and the benefits establishment and case management staff who work with them.

Beneficiaries and staff may register online at www.choosework.net/wise or by calling 1-866-968-7842 (V) or 1-866-833-2967 (TTY).
